

FISCAL NOTE

SB 872 - HB 1166

March 22, 2007

SUMMARY OF BILL: Authorizes certain municipalities and counties to adopt blasting standards more stringent than those imposed by the state. Any violation of such standards would be subject to a civil penalty not to exceed \$500.

ESTIMATED FISCAL IMPACT:

Increase Local Govt. Expenditures – Exceeds

\$100,000/Permissive

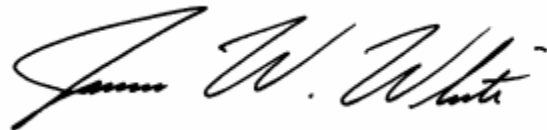

Increase Local Govt. Revenues – Not Significant/Permissive

Assumptions:

- Local governments will enforce such standards rather than the state.
- A permissive increase in local government expenditures estimated to exceed \$100,000. The precise amount of such increase will depend upon the number of local governments choosing to adopt such standards, the size of such local governments and the extent of their regulations.
- Any increase in local government revenues attributable to increased fine collection is permissive and is estimated to be not significant.
